LM 30 REPORT

7.a.

A travel pass on the airline, which allowed me to travel for free in connection with union business and allowed me and my family to fly at reduced rates for personal purposes. The same benefit is provided to all flight attendant employees free of charge, with two exceptions: first, my travel pass included booking enhancements, and second, my travel pass included upgrade benefits for travel while on union business, without paying the fee that other flight attendant employees pay. The booking enhancements have no reasonably quantifiable value.
